Our Online Space

We love having you here! Keep our conversations helpful and safe for everyone. Here are a few reminders as you engage with us and others on our sites.

Keep it Kind: Avoid any comments that are offensive, aggressive, or profane.

Share Honestly: Misinformation moves fast, so we work hard to keep our posts accurate and ask that you do the same.

Stay Safe: Always keep an eye on your privacy settings. Since social media isn't private, please never post personal or account details here.

Connecting With You

Our team is active on these channels and we truly enjoy hearing from you! However, because the financial industry is highly regulated, there are rules about what we can say in a public forum. If you don't hear back from us right away, please don't take it personally—it's often just us following the rules to keep things compliant.

To keep this space welcoming for everyone, we reserve the right to remove any posts that don't meet our community standards or regulatory requirements.

Staying Safe and Secure

While we love connecting with you, please keep in mind that LWMG and its affiliates ("Vision Companies") aren't affiliated with platforms like Facebook, LinkedIn, or YouTube. We don't have control over how these

sites use the information you share, so it's always a good idea to get familiar with their specific privacy policies and account settings.

Your security is our top priority! Be mindful of how your information is displayed online and, for your protection, never share personal or account details on any social media site.

To learn about how LWMG may use information you provide, please read more about our [Privacy Policy](#).

LWMG social media channels may follow another user, share, or provide hyperlinks to third-party content, and/or "like/favorite" third-party content. Doing so intends to provide additional perspective and should not be considered as an endorsement of any services, products, guidance, individuals, or points of view outside of LWMG. Whenever a third-party posts content to our social media properties, this information remains the responsibility of the party submitting the content and does not represent LWMG viewpoints or serve as an indication or guarantee of future results.

Content posted on LWMG's social media channels should not be viewed as a recommendation or personalized advice. Where specific advice is necessary or appropriate, individuals should consult with a qualified tax advisor, legal advisor, CPA, Financial Planner, or Investment Advisor pertaining to their individual situations. Posts by others that describe opinions, views, or experiences may not be representative or indicative of another's personal experience. Followers and commenters who have a business relationship with LWMG or other beneficial interest in commenting should be aware that they may have obligations to disclose that relationship or interest in their posts.

As mentioned previously, LWMG reserves the right to remove comments received from third parties based on its established criteria.
